Dear New Patient:

Welcome! We are pleased you have chosen Bloomingdale Medical Associates for your health care needs. We are a group of four Internal Medicine physicians, one Board Certified Family Practice physician, two certified Physician Assistants and three Advanced Registered Nurse Practitioners who are committed to delivering quality health care to you. We are confident you will be pleased with your decision to choose one of our physicians as your primary care doctor.

Attached please find a patient information registration form, which contains a medical history questionnaire. Please complete this form prior to arriving for our appointment and bring it with you. **Please arrive 30 minutes before your appointment time** so that we may prepare your account and verify your registration information. Also included in your packet is a medical record release form. Please complete this form so we can obtain a copy of your medical records from your previous physician. You may bring the completed form to your first appointment or submit the form to your previous physician to obtain your records prior to your visit.

**Please bring your photo ID and insurance card. Without your ID and insurance card, unfortunately we would need to reschedule the appointment.** We are providers for Medicare and a number of managed care programs. If you have a managed care plan, we recommend you contact your member services department to verify our participation and your primary care selection. **If your insurance company requires a co-payment, it will be collected when you check in with our Patient Coordinator. If your insurance has a deductible, we will pre-collect \$175 when you check in with our Patient Coordinator. Any overpayments will be refunded accordingly. We do not bill for deductibles and/or co-insurances.** We accept cash, check, Mastercard, Visa and Discover.

Our office hours are 8:00 AM to 5:15 PM Monday through Thursday and to 4:45 on Friday. We also offer Saturday appointment from 9:00 to 1:00 for active illnesses only. If you need to cancel your appointment please contact us as soon as possible.

If you have any further questions, please do not hesitate to call. We have a support staff of over 40 qualified clinical and business employees who are here to help you. It is our goal to exceed your expectations and we look forward to establishing a long and healthy relationship with you!
